SPORTS & MOVEMENT CAMPS

“FUN”damentals!

Mr. Palmieri and Mrs. Paterno, Bedwell PE teachers, are excited to offer “FUN”damentals! Summer camp. Our goal is for campers to have fun while learning and developing the foundational skills needed to successfully participate in games and sport. The atmosphere is encouraging and the activities are age appropriate. The skills campers will learn can serve as the building blocks for sports participation or to simply gain interests to support a healthy, active lifestyle. Participation in this camp will foster positive social skills, confidence, character and sportsmanship. Bring a drink and a snack!

SCIENCE CAMPS

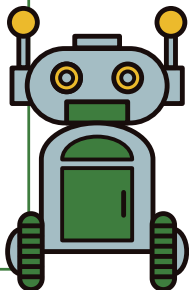

Mr. Thurlow's Camp Creativity

At Camp Creativity, creators and inventors ages entering 2nd through 8th Grade will expand their creative thinking skills! Campers will independently choose to work on technology projects of their dreams by brainstorming and creating under the guidance of Bedwell Technology and Design teacher Mr. Thurlow! Projects will vary depending on their various technology skill levels. Using the iPads, technology lab, littleBits, coding programs, Lego sets, ozobots, dash & dot robots, Kano computer kits, digital cameras, and building sets, campers will make their projects come to life!

Campers will have extensive options for their self-developed project ideas, as each morning Mr. Thurlow and Mrs. Vu will introduce several new and exciting technology and design skills to campers to explore. Afternoons will give campers freedom to explore individual projects, which may include designing lego kits, battlebots, creating inventions, learning about digital photography, producing presentations, digital animations, building 3-D architectural models, designing video games, exploring new apps and launching websites.

Each session will conclude with a camper to camper presentation on the project they have designed from the week!

KINDER-ANTICS

Lin Jastrabek and Debbie Rokosky, Bedwell teachers with a strong background in early childhood education, are excited to bring back Kinder-Antics, a summer camp program for young children, ages 4-5 years old. Your child will participate in lots of creative learning adventures as we explore favorite childhood themes, like dinosaurs, insects, and fairy tales. Activities will include crafts, nature, stories, number sense, and ABC fun. This program is a wonderful way to help build important foundational literacy, math, and science skills in a relaxed, safe, and fun environment.

The Bernardsville Municipal Pool Complex is conveniently located on three spacious acres on Seney Drive, across from the Bedwell School. The complex consists of an 180,000 gallon main pool, a wading pool complete with a rain tree and squirting dolphin, and an intermediate pool. There is also a full service snack bar, a play area, and plenty of parking on location.

Whether you enjoy reading poolside, taking advantage of our WIFI, or a vigorous exercising swim, you will enjoy doing it here, along with lots of other activities. The pool staff will provide planned programs such as games and fun for the youngsters and Ping-Pong at no charge. There are also special functions held at the pool such as themed days, movies nights, and live music! Interested in hosting a pool party? We do that too!

Emergency Treatment Permission:

Dear Parents,

Most doctors and hospitals need written permission from parents in order to give treatment to a child. We will attempt to contact you if any type of medical attention is needed. However, in the event treatment is necessary and we are unable to contact you, your signature below will authorize the doctor to give you treatment. Please supply a health certificate if your child is participating in any physical activity.

TO ANY DOCTOR OR HOSPITAL:

Authorization is given to perform any necessary emergency treatment on my child, whose medical history is listed above.
